

# 1966

YORK HOUSE,  
ST. JAMES'S PALACE.

24th October, 1966

It gave me great pleasure this afternoon to receive, for the tenth year in succession, a large gathering of Boys' Club members representing all parts of the country. They brought me, at St. James's Palace, personal messages from leading citizens throughout the land to mark the launching of Club Week, and I am most grateful to you for sending one of them.

Last year Clubs affiliated to the National Association of Boys' Clubs raised over £75,000 in Club Week; this remarkable achievement reflects the growing personal interest which many prominent citizens are taking in the efforts of Clubs to help themselves and I would like to take this opportunity of thanking you for the support which you are giving. There is, however, a great need for even more men and women to devote some of their time and their skill to the Boys' Club movement and I hope that they will come forward during Club Week.

I am sure that Club Week in Tenterden will be a great success and I send my warmest good wishes for it.

*Henry*  
President

The Chairman of the Tenterden  
Rural District Council.
