Carnival will help pay off debts

TENTERDEN Youth Club is to hold a carnival and gala later this month to raise funds for the club, to pay off debts incurred in the building of club premises.

The carnival procession will be led by an Army Cadet Force Band of at least 60 members.

A gala is being held in the afternoon at the recreation ground, and the club hopes for a repeat of last year's success.

Youth gala

A CARNIVAL procession will herald the start of Tenterden Youth Club's gala day, to be held on August 28. The procession will be headed by an Army Cadet Force band of at least 60 members.

The gala is expected to be as successful as one held last year, and money raised will go to paying off debts incurred in the building of Highbury Hall, the club's headquarters.
