

1967

Kent Messenger 1 September 1967

TENTERDEN Youth Club's famous decorated cart came in useful at the Gala as a stall for the sale of soft drinks, which could explain how Lesley Clarke and Florence Mannerings came to be on the wagon.

YOUTH CLUB

THANKS to Tenterden Youth Club, Bank Holiday Monday in Tenterden was a bright and happy day.

The young people certainly worked hard to provide the town with an excellent gala and procession. The Mayor, Cllr. Reuben Collison, is quite right when he talks of the serious effort put in by so many young people these days, and their efforts far outweigh the foolhardy escapades of a minority of youngsters who somehow or other get more publicity.

Thanks, too, to the town's other organisations who helped make the gala a success, and provided not only stalls and side-shows but also time. It says a lot for people who are prepared to give up their off-duty hours for the benefit of the town.

TENTERDEN Fire Brigade had a lot of support from the crowd during the tug-of-war at the Gala, but, although they won their first contest with Ashford Aces, they were finally defeated by a Wittersham team.
