MEMBERS of Tenterden Youth Club are currently hard at work redecorating their headquarters. It was originally planned to close the club two nights a week, but it is now so popular that it would have meant turning away between 70 and 100 youngsters. So now work is being carried out by members and organisers at opportune moments

Left to right. Susan Rees, Cary Payne, Liz Willetts, Judy Edmonds, Julia Walker, Linda Chittenden, Liz Tyson, Wendy Bond
