

TENTERDEN ACTIVE RETIREMENT ASSOCIATION

MEMBERSHIP APPLICATION FORM

Dear Friend

As the name suggests, TenARA is a club formed for ACTIVE retired people. To ensure the clubs continuation in the years ahead, it is vital that new members are able to participate in some of its activities. Our Constitution requires our members to attend at least a couple of the listed activities that are offered throughout the year, these include Par 3 Golf; Rambles; Skittles; Table Tennis and Line Dancing. Please indicate below those which you are able and interested in taking part in. In addition to these we do have outings, lunches and holidays but they do not class as activities. The activities are not too strenuous and definitely not of a high standard, just very friendly groups along with a coffee and a chat.

Your application will be considered at the committee's next meeting and we will be in contact again following that. After acceptance, all new memberships are reviewed after six months and may be cancelled if no attendance is noted, each case will be considered on an individual basis at that time.

We look forward to meeting you.

Activities include: - please tick or circle your interest

Rambles / Skittles / Par 3 Golf / Table Tennis / Line Dancing

NB It is members responsibility to carry their next of kin details in an accessible format (i.e. not on a locked mobile phone) when attending activities and outings. Please note that the coach insurance finishes as you step off the coach and that members should have their own 'Travel' accident cover, etc. There is no insurance cover in place for outings/activities.
