"I'm honoured to be your Conservative candidate. Having lived locally for over 30 years, I'm proud to call our area home. I'm happily married with three children and actively involved as a school governor, parish councillor, and Ashford Borough councillor since 1995.

As a traditional Conservative, I stand for supporting local businesses, protecting our countryside, opposing overdevelopment, keeping council tax low, and preserving our strong community.

Fixing our roads is my top priority, but we must also hold utilities accountable for power cuts, water supply, and broadband issues.

Tenterden and our villages are incredible places with incredible people—I'll work to keep them that way. Let's Keep Kent Conservative!"
