

## Wayne Chapman – Reform UK Candidate for Kent County Council 1 May 2025

A bit about myself. I am local from Tenterden, born at Leigh Green, Kench Hill. My family history – a few generations back lived in a Victorian tenement, Woodbury, at the lower end of Tenterden high street, in a one up one down with six people within and a shared privy outside for eight other families.

As a child with my parents, I enjoyed hop picking for Mr Hukins Biddenden, as well as turkey plucking, land drainage with Douglas's on the Romney Marsh. Picking Carrots, Lettuces and Courgettes at Lossenham Farm Newenden. Potato picking at Morghew Farm Tenterden also Bushes at Leigh Green. As a teenager I worked at The Vine Inn pub Tenterden, for Dave O'Callaghan. Now, I am a small business owner living in Hamstreet employing local people, looking after and caring for residents of our community.

I am a hard working and committed person with strong family values. We have always been a part of this community and know the hardships we all face daily.

As the only candidate born and raised in the area, I have the proud and privileged opportunity to become, with your help and support, your Kent County Councillor for Tenterden, Smallhythe, Rolvenden, Rolvenden Layne, Newenden, Appledore, High Halden, Biddenden, Wittersham, Stone cum Ebony, St Michaels and the surrounding communities.

- I will ensure we resurface roads, not continue with pothole bodge jobs.
- The Tenterden Social Hub & Tenterden Family Hub must have ring fenced funding to continually serve our rural community.
- To look in depth as to why the speed restrictions, asked by many villages, were refused by KCC. There are clear safety concerns, why are we not being listened too?
- Work with NHS Kent to get the much needed Dentist that our community needs. We shouldn't be travelling miles for basic health care.
- Make sure that our children's bus services are properly funded to include provisions for the over 16s

As a true local, who has grown up here, I know the people, I know what is needed. Let's continue to make this community a great and thriving place to live. Change is needed and this is why I am the candidate for Reform UK, for you. The Conservatives have shown that their plan has not worked at KCC. Just look at our current infrastructure. It speaks for itself.
