

Your local Hub that looks after and supports elderly people and adults with learning or physical disabilities. Offering many services on and off site including: Meals on Wheels, Home Help, Information Support, Bathing, Hairdressing and always a warm welcome.

Volunteers Needed: - We are looking to build our volunteer directory and if you have some spare time we would like to work with you.

There are plenty of options at the Social Hub including: Driving our vehicles to collect and drop off our members, escort and support the drivers collecting the members, deliver our Meals on Wheels locally, support our staff with the day to day member engagement with either our elderly or adults with learning or physical disabilities.

As an organisation we have been running for nearly 40 years and without the continued support of volunteers this wouldn't have been possible. Volunteering is a rewarding way of giving back to the community and we would welcome any time that you could offer to our Charity; 1 hour, 1 day or more.....

Please contact Sally Pettengell for more information:

Volunteer Minute Taker - Our board of Trustees meet 4-5 times per year and we would like to find a minute taker for these meetings.

The meetings are currently held on a Friday between 4-6pm at the Tenterden Social Hub and the Trustees are all local people giving their time for the benefit of the Social Hub.

If you have experience of minute taking, meeting environment and could commit to the meetings with an additional amount of time to write up the minutes afterwards, please contact Sally Pettengell for more information:
