FRESHLY PREPARED HOT MEALS DELIVERED TO YOUR DOOR

A two-course freshly cooked hot meal, made using local produce and delivered directly to your door by our friendly drivers.

Meal Club, provided by Tenterden Social Hub, is a meals on wheels service delivering to Tenterden town, St.

Michael's, Appledore, Bethersden, Biddenden, High Halden, Rolvenden, Stone, Wittersham and Woodchurch.

We take pride in the quality of our service. We use meat and vegetables which are produced and supplied locally, and all the meals are cooked freshly in our own kitchen which has the highest Food Hygiene Rating.

Meals are delivered hot in disposable containers and the delivery staff can help to plate the meal up for you if required. Our delivery staff are friendly and helpful and have been checked by the Disclosure and Barring Service.

If you have special dietary requirements because, for example, you are diabetic or have food allergies, we can cater for these needs.

You can try a meal for half price

As a new client you can have one meal for £3.75 to see if our service suits you. Thereafter, our meal delivery service costs just £7.50 for two courses (a main and a pudding), including delivery.

We also offer a supper package for £3.50 which includes a choice of sandwich, a piece of cake and a packet of crisps. This will be delivered with your lunch time meal.

The service operates Monday to Friday (excluding Bank Holidays), but you don't have to have a meal every day if you do not need or want one. If you have people visiting we can also provide them with a meal so that you can relax and eat together.
