SOUTH EAST
OPEN STUDIOS
art & craft
guide 2019
7th-23rd June
www.seos-art.org
I'd like to welcome you to SEOS 2019, back after a year's break refreshed and with a brand-new website. As ever, this guide is your passport to a wonderful few weeks in June where artists, craftspeople, printmakers and designers welcome visitors into their working spaces to show the wealth of creative talent and affordable art and craft on your doorstep.

South East Open Studios is a special event. Unlike galleries, this is your opportunity to meet artists in person who will talk to you about their process, passion and philosophy. Many will be demonstrating, so you can see them at work, and most will be offering their works for sale. Seeing the creativity artists put into their work spaces can be as fascinating as the art itself. It's the perfect opportunity to hear the stories behind distinctive and inspiring artworks.

Don't miss this opportunity to see a wealth of creative talent on your doorstep, and perhaps make a purchase you will cherish for years to come.

SEOS is a not-for-profit artist-led organisation so it depends on the participation of artists both experienced and new. If you are interested in joining us, advertising within the guide or offering other support, we would love to hear from you to make 2020 a wonderful event.
